High Hill, Mo. April, 7th 1862.

Col. Bonneville,

Sir -

During last February, a man
named George Robinson, a mem-
ber of Co. B. of my regiment, received
a furlough for sixteen, and not
returning at the end of that time
was reported as a deserter. A letter
has been received from him today
saying that on his return to his
regiment his money gone out - and
that he fell in with the tenth Ill.
Cavalry and went to St. Louis, where
he now is. He says that he is at
Beuth's Barracks with a squad of
Cav. commanded by Sergeant Saliger.

I think that he is desirous of re-
turning to his regiment.

Will you be so kind as to
attend to the matter, and see that
he is furnished with transportation
to his place? I am, Sir, Very Respectfully
Your Obedt-Servt.

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper will be returned to the soldier with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *4, 5, &c., &c.*; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1230 Regulations, Edn. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final documents in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

Nov. 13, 1866.

Sir:

I have the honor to acknowledge the receipt of your letter of the 3rd day of Nov. 1866, requesting a "Statement of Service" of William A. Russell. The following information has been obtained from the files of this Office, and is respectfully furnished in reply to your inquiry:

It appears from the Rolls on file in this Office, that William A. Russell was enrolled on the 21st day of July, 1861, at Hamlet, Ill. in Co. G, 10th Regiment of Mo. Sir.

The undersigned respectfully represents
as members of a Gent. Court Marshal
now in session at these Head Quarters,
that: Wm Russell of 10th Regt Mo. Inf. who
Judge Advocate of our said Court:
does not understand the duties of his
position as Judge Advocate, that he
is very slow and inefficient, in other
words, he manifestly is not qualified for
the duties devolving upon him.

We therefore ask that you will
order that another and more competent
man be substituted in his place.

Respectfully Submitted.

SPECIAL ORDERS,

no. 210

Serial 97

Leave of Absence for twenty days, is hereby granted
Capt. Wm A. J. Russell, 10th Regt. Missouri Inf Vol.
to proceed beyond the limits of the Department.

This Leave of Absence is granted under section 31, of an act
entitled "An Act for enrolling and calling out the National Forces,
and for other purposes," approved March 3rd, 1863, and will be noted
accordingly on the proper Muster and Pay Rolls.

BY ORDER OF MAJOR GENERAL U. S. GRANT.

T. S. Brown
Acty Assistant Adjutant General

Extract from General Orders, A. G. O., War Department.

Any officer absent from duty with leave, except for sickness or wounds, shall, during his absence, receive half of the pay and allowances prescribed by law, and no more; and any officer absent without leave, shall, in addition to the penalties prescribed by law or a Court Martial, forfeit all pay or allowances during such absence. —Act of Congress, published in General Orders No. 73, Series 1862.

Officers absent from duty without leave or beyond the time of their leave, will not be allowed to draw pay until a court or commission, which will be ordered on their return to their post or command, shall determine whether there was sufficient cause for their absence. They will accordingly provide themselves with a full description of the nature and cause of their disability, certified by the proper medical authority, as required by existing orders and regulations.

When an officer returns to his command after having overstaid his leave of absence, he may be tried by a court-martial for this as a military offence, or a commission may be appointed by the commanding officer of his division, army corps, or army, as the case may be, to investigate his case, and to determine whether or not he was absent from proper cause; and if there should be found to be such proper cause, he will be entitled to pay during such absence. The proceedings of such commission will be sent to the Adjutant General of the Army for the approval of the Secretary of War. Such commissions will consist of not less than three nor over five commissioned officers. —Gen. Orders, No. 100, series 1862.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received, or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended to the surgeon in charge of a hospital, the officer commanding a detachment of men to, &c., &c.

NOTE 2.

When a probable cause for the disability is known, special care must be taken to describe the degree of disability—as, for example, to describe particularly the disability, wound or disease, the extent to which it deprives him of the use of any limb or faculty, or of his health, strength, activity, constitution, or capacity to perform his duty. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the nature and extent of the disability. In the case of diseases by Medical Inspectors, the last paragraph will state that the discharge was given to the soldier, after a personal examination, and that the nature, degree and origin of the disability are fully described in the within certificate.

Medical officers in giving certificates of disability, are to take particular care in cases that have not been under their charge, and especially in cases of chronic diseases, rheumatism, discharges of the urinary organs, ophthalmia, and of any obscure disease liable to be feigned or produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

at some time previous to

it was last settled August

affidavit to that effect. He
is in Camp Parole, at Annapolis

and mustered into Co C 22^d

by order of Genl Halleck.

War Department,

Adjutant General's Office,

Washington, April 18th, 1865.

Sir:

In reply to your letter requesting a Descriptive List of Henry
Schultz, a Private in Company "H", 10th
Regiment Mo. Volunteers, I have the honor to furnish the
following "Descriptive List," obtained from the records of this Office: which, from the
want of the necessary data, (which is in the possession of the Company Commander,)
is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Henry Schultz, a Private in Company "H",
10th Regiment of Mo. Volunteers, is
years of age; but no further "description" can be obtained from the files of this Office.
There is no evidence on file that
He was enlisted on the _____ day of _____, 186____,
at the town of _____ in the State of _____
by _____, and mustered into the service of the United
States, on the _____ day of _____, 186____, at the
town of _____ in the State of _____
by _____, to serve for the period of _____ years,
and "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of
July & Aug. 1864, that he was last paid by Paymaster
Longden, to the 30th day of
June, 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if
obtained at all, from his Company Commander.

REMARKS

On the same Muster Roll, this man is reported
present, without remark. No later record of that
des. on file. This man should not be held beyond
Oct. 14, 1864.

Very respectfully,

Your obedient servant,

Samuel Luck

Assistant Adjutant General.

To

Baltimore, Md.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to complete a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

having applied for a Certificate on which to ground an application for leave of absence,

I DO HEREBY CERTIFY, that I have carefully examined this officer, and find that he has

Greenville, Mo. July-17-1863.

Dear Friend Drimling,

I suppose that you have before this received an official copy of my leave of absence, from the Hospital at Memphis, for twenty days commencing July 1st. The ~~notice of the~~ Surgeon in Charge of the Officers Hospital at Memphis advised me not to return at the expiration of that time as it would be impossible for me to be sufficiently well to endure a Southern climate. Physicians here tell me the same and I shall not return until I am fully satisfied that I can stand it.

I will forward to you and to the Adjutant General of the Army, as is required by existing orders and regulations, the proper certificate of disability.

I have not heard from you since. I was with the regiment except through others. Lieut Phillips told me that you had my resignation papers and would forward them when you thought there was a probability of their acceptance.

I have seen several officers from the regiment and all contradict the statement of Lt Logan concerning the feeling in the regiment for me. The Lieut (Logan) wrote as follows.

"All the officers of this regiment and especially the Field and Staff officers are of the opinion that Capt Beavell's sickness is not of a nature to warrant his absence from the regiment."

I should be sad indeed if I thought there was any truth in this statement; but after sending the evidence that I have, I cannot believe that you would do me the injustice

I trust all with you, and will not fear for the result.

I see from the Mo Democrat that you are Colonel now. Let me congratulate you. I know that under your command the reputation of the 10th Mo cannot be diminished.

The 10th has a glorious prospect before it.

I shall always cherish for you the warmest regard and truest friendship; and will ever be grateful for your kindness to me in the past

Truly Yours

Dear Friend Drimling;

I have not yet received any letters ^{from} you and I fear, if you have written, they have been intercepted at the regiment by some kind friend of mine.

I am regularly in hospital here and receiving treatment. My lungs are all but of fit and in consequence I am not feeling very joyful. The Surgeon recommends a change of climate and I expect to go North tomorrow on leave of absence from Gen Hospital. On the 11th inst I sent my resignation to you by Chap. Warren to be forwarded if you could do so. - some time previous I sent a certificate from Surg McKee. I can send you any number of certificates now Major, under such circumstances, am I to be dishonourably dismissed for absence without leave?

I am anxious about this matter let this be my excuse for saying so much to you about it.

I saw Shannon this P.M. He is doing well and feels "all right" he says.

Will you please write me if you have time and tell me

the state of things as regards myself.

March 1st, 1865

Sir

Some days ago I received
a copy of an order from Gen. Grant
relieving me from duty in the Subsi-
dence Department and commanding
me to report to my regiment.

I turned over what commissary
property I had and started to report
to the regiment. I succeeded with little
trouble in getting as far as this place
but can not get transportation owing
to the fact that the genuineness of the
order is not certified to by any one.

I cannot pay my passage down
the river from the fact that I am
"broke". I cannot get pay here because
this order is not genuine. Gen. Grant's
Adjutant Gen. neglected to send me
an original copy as he should have
done. I shall apply for a copy ^{and}
report you at as early a date as
possible. I am anxious to see the
10th and my friends there. I shall
remain in Memphis until I get the
order.

By order of MAJ.-GEN. S. A. HURLBUT,

Commanding Officer
10th Mo^{re} Infantry

Kerry B. Quinn
Ass't Adj't Gen'l.

In time of war, leaves of absence will only be granted by the Secretary of War, except when the certificate of a Medical officer shall show beyond doubt that a change of location is necessary to save life, or prevent permanent disability.—Gen'l Orders No. 61, Series 1862. So much of General Orders No. 61, current series, as relates to the extension of sick leaves of absence is hereby revoked, and no application for such extension need hereafter be made. The Order of the President dated July 31, (General Orders No. 82,) fully explains what may be considered as good cause for absence. Surgeon's certificates of disability, required by existing orders and regulations, must be forwarded, not only to the Adjutant-General of the Army, but also to the commander of the Regiment, or in case of a staff officer, to his commanding General.

Officers absent from duty, without leave, or beyond the time of their leaves, will not be allowed to draw pay until a court or commission, which will be ordered on their return to their post or command, shall determine whether there was sufficient cause for their absence. They will accordingly provide themselves with a full description of the nature and cause of their disability, certified by the proper Medical authority as required by existing orders and regulations.

When an officer returns to his command, after having overstaid his leave of absence, he may be tried by a Court Martial for this as a military offence; or a commission may be appointed by the commanding officer of his Division, Army Corps or Army, as the case may be, to investigate his case, and to determine whether or not he was absent from proper cause; and if there should be found to be such proper cause, he will be entitled to pay during such absence. The proceedings of such commission will be sent to the Adjutant-General of the Army for the approval of the Secretary of War. Such commissions will consist of not less than three nor over five commissioned officers.—General Orders No. 100, Series 1862.

ARTICLES OF WAR.

ART. 93. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 93th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease, which report will be noted on the next muster-roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 18—." If a legal representative cannot be found, it will be noted in the report. If the deceased has no effects, the last will be reported.

PAR. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 124. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 18—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

MEDICAL CERTIFICATE.

Samuel A. Shannon, 2nd Lieut, Co. C.
 of the *5th* (a *Paroled Prisoner*) Regiment of *Missouri Vol. Inf.*

having applied for a Certificate on which to ground an application for leave of absence,

I do hereby Certify, That I have carefully examined this Officer, and find that he received a *Guns* shot wound, at *Champion Hill*, producing *Compound fracture* of the *right thigh*. There is union of the fracture, but abscesses continue to form above and below the wounds from necrosed bone. He is of a *Scrofulous diathesis*, and suppuration of the *axillary glands*, taken place since coming here, *June 28th*, and that in consequence thereof, he is, in my opinion, unfit for duty. I further declare my belief that he will not be able to resume his duties in a less period than *Ninety days*, and that a *Change of location* is necessary to secure life.

Dated at *Officers' Hospital, Memphis Tenn.*

FINAL STATEMENT

OF

Private. Russell Shirley
10th Reg't of Mo. Infantry

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laurence must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Surgeon & Val in Charge
Commanding Company

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. a. &c.*; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1860 Regulations, Ed. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, so that the soldier is furnished with the proper final statement in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.
